A message from Mrs Davy

At this time of the year we start to think about transitions and changes. This week, Mrs Slade has been visiting our new Year R cohort in their nursery settings and we can't wait for them to join us on the 25th June to receive their 'Twineham Teddy' and for their first stay and play session! This week some of our Year 6's have met staff from their new school and their transition sessions will start soon.

Stormbreak is a free resource that supports children's mental health and emotional well-being through movement. They have produced a new video to talk through the feelings and emotions that might occur at this time. Please follow the link if you would like to learn more

We hope you have a lovely weekend. Many thanks for your continued support.

“We have an amazing range of sports on offer for the summer holidays. Obviously this is great for all students but in particular those in year 6 who are looking to make some friends before joining new secondary schools. Those with older siblings we are offering book 1 day get 1 day free as a way to get older children away from technology.”

Please see attached poster for Disc Golf & Summer Camps / activities.

Orchestras Inc.

West Sussex Music’s inclusive SEND orchestra is back, with four free sessions during June at our Horsham Music Centre and two free sessions in July at our new venue, Worthing Music Centre.

These sessions are open to children and young people, aged 8 upwards, with additional needs, including those attending special schools, those at mainstream schools or colleges with additional needs. I’d be grateful if you could share this link with your families so that as many young people as possible can benefit from this wonderful opportunity. <https://www.westsussexmusic.co.uk/orchestras-inc/>

Worship Spot

This term, our collective worship focus is around ‘To boldly go...’

This week we have been learning about Pentecost, the birth of the Church and a gift for Christians from God. Acts 2: 1-42

“When the day of Pentecost had come, they were all together in one place. And suddenly from heaven there came a sound like the rush of a violent wind, and it filled the entire house where they were sitting.”

Reaching Gold means your pupils have gone above and beyond in their efforts to live and learn sustainably. You’ve not only made a difference in your own school community but are also setting a powerful example for others to follow.

We are absolutely thrilled to celebrate this milestone with you. Your school is a beacon of environmental action—and we’re so proud to have you as part of the Planet Protector movement. 💚

With our warmest congratulations, Sam and The Wastebuster Team
