A message from Mrs Davy

We have all been enjoying the beautiful sunshine and the stunning blossom on the trees and wisteria in its full, cascading purple glory. It has been a very exciting start to the Summer term, Bishop Bushyager (the Bishop of Horsham) visited our school and officially opened our beautiful, unique fish display in the entrance area. Hopefully you will glance and see them when you attend the meeting on Monday at 2:15pm, and agree they are incredible!

Mr Chapman has worked with the children to create a beautiful display of Twineham artwork currently available to see in Burgess Hill library. During the half term break, it would be a lovely activity to take your child to, see our artwork and borrow a book.

Our superstar Year 6 have worked hard at their SATs testing this week. The whole school (staff and children) have all gone the extra mile to keep the school quiet so that they could concentrate. As a thank you from me, each class has had a STEM workshop with Ali Khan and an ice lolly. Photos as always are on FaceBook. Well done everyone!

Safeguarding / Safety

Please drive carefully down the lane to ensure everyone's safety. Thank you.

Worship Spot

This term, our collective worship focus is around 'To boldly go...' . We have learnt about Joshua facing challenges and God speaking to him..."**Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go! (Joshua 1:9)**

We are developing this further by learning about Thomas Stevens and Amelia Earhart

....encourage one another and build each other up.... (1 Thessalonians 5:11)

FOTS

Friday 23rd May—Welly Walk p.m finishing at the Royal Oak in Wineham.

Saturday 14th June—Summer Fair

We rely heavily on the money that you so kindly raise to pay for the Forest School sessions that all children enjoy so much.

SEN

In conjunction with Neuro-diversity month (April) to bring about worldwide acceptance, equality and inclusion, Mrs Hayter has been raising the profile of different neuro-diversities by sharing short videos with children in collective worship on a Wednesday. We are currently on our third week which has been raising the profile of ADHD.

Our diocese link advisor commented on the inclusive work that we do so well at Twineham, saying that our value of 'togetherness' is "deeply embedded by our inclusive practice"

Orchestras Inc.

Please see attached information about a **free** opportunity for children and young people with SEND and/or additional needs in Key Stage 2 and above (up to 25 years). This includes children & young people from special schools, mainstream schools or colleges or home schooled.

Orchestras Inc. our wonderful SEND ensemble has been working with schools for several years and is now embedded in our music centre offer at Horsham. Following its success, we are introducing an Orchestras Inc. offer at our Worthing music centre in July.

Sessions take place on Saturdays, are **free** to attend and are designed to explore music together through a range of instruments in a fun and creative way. No prior experience is required but all attendees must be accompanied by a parent or carer.
