Welcome from Mrs Davy

Dear Parents/ Carers,

Wow! It has been a wonderful week joining "Team Twineham" and starting to meet all the children and staff. Twineham school is truly a special place and I look forward to working with the team and driving it forward from its current successes. Please come and say hello on the gate in the morning and I will try my best to learn names as quickly as possible!

Please continue to send any emails via the head@twineham.w-sussex.sch.uk address as Mrs Cotton and I continue to work closely together this half term.

I hope you have a lovely weekend.

Many thanks,
Sarah Davy

School Dinners

If your child has hot dinners please make sure you book their meals 2 weeks in advance with Chartwell's. *If you have not booked a meal we will only be able to provide your child with a Jacket Potato as their main meal.* This is to ensure that those who have booked have the meal they have chosen.

Are you following us on Facebook?

If not, give us a like to see photos and fun times at Twineham:

Safeguarding Spot

As the weather warms up it is lovely to see some of you meeting up on the field together at the end of the day. Please remember that as soon as you collect your child, you are responsible for them and must supervise them. Please ensure that no school equipment is used after school hours.

Please can you make sure you are not on the field after 3.30pm and that all gates are shut behind you. You are always able to use the Recreation Ground at the top of the lane if your children want to continue to play.

Please note that cars MUST NOT park on the hatched area by the school, unless specific permission has been sought.

SEND Spot

Thank you to all those who attended our Coffee Morning about school anxiety. We hope you found it useful.

If you are concerned about your child's learning or well-being at any time...

Please always speak to your class teacher first.

All our teachers are experienced working with children with a wide range of needs. As stated in West Sussex's guidance (Ordinarily Available Inclusive Practice) "Every practitioner is a teacher of SEND (Special Educational Needs and Disabilities)". Best practice in all schools is that teachers provide individualised and targeted support in class, wherever possible. The SENDCO (Special Educational Needs Coordinator) provides support to the teachers to do this and to access further support as needed. We will always consult parents before accessing any external support.

We know that if your child has identified additional needs it can be a minefield to find out what support is available. We are hoping to put together a short leaflet to explain how we can support in school and to signpost to other organisations.

Every child is a gift and every child is gifted

This Week's Celebrations...

On Thursdays, we celebrate children who have been doing some great learning, showing amazing behaviour for learning or living out our school values. We are now thinking about our value of creativity. Here are our celebrations for this week:

Buttercups: Theo

Poppy: Aaro and Grayson

Willow: Rose and Liam

Oakwood: Milo and Sam

SUMMER FAIR

Sunday 2nd July 12.30-3.30

We are full steam ahead for this event so make sure it is scribed in your diary. Please tell your friends and neighbours about it and encourage them to come along, or even enter their dogs for the dog show! We need support on the day, and attending the event is the best thing you can do!

- **Summer Fair Planning Meeting, Tuesday 13th June 8-9.30pm**

If you can, please pop along to the planning meeting next week at Becca's house (Lanehurst near the bottom end of Twineham Lane). There is an option to zoom in if you prefer. All contributions, ideas, and help is very welcome!!

- **Summer Fair Sponsorship**

We are looking for any parents who would like to sponsor any elements of the fair whether that be supporting the bar, the hot food stall, prizes for the games, or the bouncy castle. Trusted Housesitters is very kindly sponsoring the dog show again this year. All sponsors are of course credited in advertising materials and appropriate branding.

- **Raffle or Auction prizes**

Do you have anything you or your business could offer to put in our Auction? Let us know, either at the school office or to any of the FOTs team, or email FOTS@email.com

- **Advertising**

Would you like an estate agent board outside your house so we can spread the message about this event as far and wide as possible? Please get in touch

- **Get stuck in!**

Most importantly we need parents to get stuck in and help us run the event. Even if it is for 1 hour on the gate, your help is most welcome to make this the friendly, fun and community-driven event the success it always is. A big list will soon be appearing to pop your name against a designated slot – no planning required; just roll up and get stuck in.

- **No School Uniform Day, Friday 16th June**

In exchange for a day of non-uniform, please send your child in with either a pre-loved toy for the Fair Tombola, or a bottle of wine that goes towards the highly coveted Fair Wheelbarrow of Booze.

END OF TERM PARTAAAAAY, Tuesday July 18th after School,

*Willow class's amazing music lesson—
they have been exploring pentatonic
scales by composing music and a dance
about a Chinese dragon!*

Jayden is going into business!

Jayden in Year 4 has asked us to let families know about the business he has set up. It is great to see Young Entrepreneurs has inspired him! If you would like to support him, he will be having a sale of fidget toys outside the school gates on Friday 16th June at 3-3.30pm.
