This month's value: Peace

Tuesday 20th November 2018

Dear Parents,

This week we are getting immersed in a whole school project called 'Save Our Seas'; the children are enjoying science, art, DT, maths and other activities to develop understanding of plastic pollution and how we can help protect our oceans from this serious environmental concern. We no longer require milk cartons – thank you for the bottles as we have a magnificent amount for our workshops this week. The children are making recycled sea sculptures and we hope to create two fabulous models across the two days, all led by James from Creative Workshops and kindly subsidised by FOTS.

Carpet request

Please help! We plan to cover our stage blocks for our Nativity play with carpet. Please let us know if you have any off-cuts of carpet, or spare rugs, which could help. The area is just under 3m x 2m. Any help with this would be wonderful, thank you!

Parent Governor

Please be reminded that nominations for our Parent Governor vacancy must be received in the school office by 10am on Monday 26th November.

FOTS

Please see the FOTS Christmas newsletter attached. We have a wonderful seasonal schedule ahead with these fantastic fundraisers to help welcome Christmas with joy. Some key reminders:

- ✓ Please remember that the order deadline for **Christmas card and mug designs** is tomorrow, **Wednesday 21**st **November**.
- ✓ Children can wear **non-school uniform this Friday 23rd November**. Please can pupils bring either a **prize for the children's tombola or the adult raffle**. Pupils are allowed to wear onesies if they wish!
- ✓ Wreath Making Workshop tickets are going fast, please come and book your place in the office
- ✓ Christmas Wish Jar please bring clean, empty jam jars to school next Monday 26th November

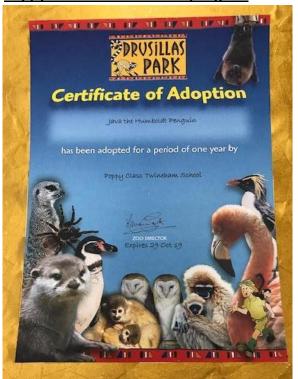

Poppy Class meets Java the penguin!

On Wednesday 31st October, Poppy Class went to Drusilla's to see the penguins, especially Java, the penguin we have sponsored.

We started the day with a penguin talk. I learnt a fact: which was that penguins can dive 30 metres down. It was funny when Agnes dressed up as a penguin! Next, we went to see the penguins being fed. It was exciting seeing the penguins catching the fish. We thought Java had a red band and that he was really fast in the water. When I saw Java, I felt really happy.

Just after we finished our lunch, we went to the massive playground. My favourite part was the climbing net. After that, we got on the train. I was singing on the train. When we got off the train we went on the Hippo Ride. It was a really crazy ride. We had the best day ever!
