SUMMER FAIR COUNTDOWN

SUNDAY 2nd JULY, 12.30-3.30pm.

The sign-up sheet is still available to assign your name to various items on the day. Time slots are short and it's not too onerous. You can also help on the day!

This is an absolutely vital fundraiser for the school, so, make sure it is in your diary and encourage friends and family to support it too. Thank you, Team FOTS (your PTA).

Twineham are WasteBusters!

Twineham have already achieved Bronze and Silver for Waste busting and this week we have been completing the food waste audit; our results were that we halved our rubbish we sent to landfill! Well done everyone!

This week's challenge is to switch off and save electricity. How can you help with this at home?

Transition afternoon Tuesday 4th July 2023

This time of year is always very exciting as children wonder who their teacher will be next year. The children will have the opportunity to spend some time with their new class teacher next Tuesday. On this day we will also welcome our new Reception class to Twineham for their first stay and play session.

Audit of After School clubs

We have recently sent out an audit about after school clubs that your child currently attends, to support us in planning provision moving forward. We would be grateful if you could complete this by Monday 3rd July using the link in the email we have sent again today.

Staff updates

We are sadly saying goodbye to Mary Candy, our School Business Manager, who will be retiring at the end of this academic year after 16 years of service to the school. The Governors and staff are grateful to Mary for always keeping them from over-spending!

We are therefore recruiting for a School Business Manager. If you know anyone who might be interested please go to <https://www.westsussex.gov.uk/jobs/school-jobs/> and search Twineham to find out more and apply.

Every child is a gift and every child is gifted

This Week's Celebrations...

On Thursdays, we celebrate children who have been doing some great learning, showing amazing behaviour for learning or living out our school values. We are now thinking about our value of creativity. Here are our celebrations for this week:

Buttercups: Matilda

Poppy: Alfred and Daisy

Willow: Ralph and Matilda

Oakwood: Jacob and Theo A
